Dear Dr. Agarwal,

Greetings from Dr. Shroff's Charity Eye Hospital!

Thank you for supporting our mission of eradicating avoidable blindness and making it possible to reach out to the underprivileged people living in the rural areas of Lakhimpur Kheri district.

Data shows that every 20 seconds one person goes blind, and every 4 minutes a child goes blind in India. In all there are 12-15 million blinds in India! Basic health care and health assurance seem to be a distant dream for most of the population. your gift will provide someone with one of life's most basic requirements - their sight'

In the financial year 2022-2023 the Dr Shroff's Charity Eye hospital screened 137626 in secondary hospital and vision centres and performed 11669surgeries out of which 76% were done free, Ayushman Bharat or highly subsidized for the poor.

Thank you again for your compassionate support the cost of 2500 free cataract surgeries of the poor i.e. 2500@4000=Rs 1 Cr Looking forward to your continuous support in the coming years, which will help us to achieve sustainability in the long run.

Regards,

Dr Shalinder Sabherwal
